

**2014 Anne Amie Two Estates  
Willamette Valley AVA Pinot Noir**

This wine was aged 16 months in French oak barrels and 12 months in bottle, prior to release. "a lot of blackberry and raspberry fruit on the nose, cassis scents developing with time in the glass. The palate is medium-bodied with sappy black fruit, the oak a little more obvious than the 2013, but that should be subsumed with time. A little stockier than its peers, give this a couple of years in bottle once it is released."

**89 Points from Robert Parker**
